

Cristiana Bregni

ART DIRECTOR & DIGITAL DESIGNER

Hi! Nice to meet you 🙌

I'm Cristiana, an art director & digital visual designer interested in all things fashion, beauty, luxury and AI (but also dogs 🐕).

I have a bachelor's degree in Fashion Design & Communication, while also having attended different specialization classes on graphic design, marketing and photography.

On a typical working day you'll find me:

- Researching/developing concepts for brand campaigns
- Creating digital experiences across multiple platforms
- Overseeing shootings on set
- Presenting ideas to clients & other teams

Here's my portfolio, where you can check out some of my recent projects:
